

Pornstar Martini Recipe

Ingredients

- 40ml - Vanilla Vodka
- 20ml - Passion Fruit Liqueur
- 20ml - Sugar Syrup
- 10ml - Passionfruit Pulp
- 20ml - Lime Juice

Taste Chart

Taste:

Martini itself lies somewhere between citrus and zingy, and sweet at the same time. The Prosecco on the side is dry, (balancing the sweet and sour flavours of the martini perfectly)

Liquor notes:

- Vanilla Vodka: This can be purchased pre made or by adding vanilla extract to vodka.
- Sugar Syrup: 50% sugar, 50% hot water, shake & dissolve it. Chill for use.
- Lime Juice: Freshly Squeezed is recommended.

Utensils:

- Boston Shaker / Cocktail Shaker (Home use: Jam Jar or Protein Shaker).
- Fine Strainer (Home use: Tea or Food Strainer).
- Cocktail Glass & Shot Glass.

Let's get mixing:

1. Add Vanilla Vodka, Passionfruit liqueur (or Passoa), Sugar Syrup, Passionfruit pulp & lime juice to Boston Shaker / Jar.
2. Load Boston Shaker with plenty of ice (Shake vigorously for 20 seconds)
3. Pour into chilled glass through strainer (keeping out passionfruit particles & ice)
4. Fill shot glass with Prosecco (We use Bolle Felici, by Zonte's Footstep)

How to drink:

Best to drink by alternating the Martini & Prosecco sip for sip
